Corporate Careers with BC Assessment

BC Assessment

BC Assessment invites you to a career of challenges and fulfillment

As a British Columbia provincial crown corporation, we offer key corporate career streams providing opportunities for you to grow to your fullest potential both as a professional and as a person within a variety of fields. Over 650 of the best and the brightest professionals choose to work with us in offices throughout BC. Why? Because we offer our employees choices and support.

You've got choices

BC Assessment offers motivated, talented people choices in where they work, how they work, and how far and fast they progress in their careers.

- Regular and flexible work hours
- Interesting and diverse work assignments
- Career advancement opportunities
- Specialization
- Rural or urban office locations
- Opportunities to contribute to our communities through BCA's fund-raising for charity

You've got Support

We value our employees, so we support them financially, professionally, and personally. To do that, we offer:

- Great pay and benefits
- On-the-job training
- Professional development
- Re-imbursement for job-related courses
- Health and Wellness programs including provincial medical services plan, extended health and dental, and sick leave and disability insurance
- Mentoring
- Employee and Family Assistance Program
- A positive and supportive work environment
